A conference call allowed all to question County Attorney Fred Holscher regarding all issues of the proposed outdoor sales ordinance. Fred gave his opinion as to what was permanent and what was grandfathered and what was temporary. Fred said it was all a matter of definitions and we (Ocracoke Planning Board) should establish definitions to accomplish our objectives. Was our purpose to enhance or discourage outdoor sales.

The meeting continued after Fred hung up and it was agreed not to rush to vote on any ordinance because of year end or change of guard.

Next regular meeting is November 8, 5:30 p.m. at the Community Center.

The phone meeting by adjourned with all in favor.
